MEMORANDUM FOR MR. McNAMARA

1. Attached represents results of fleet aerial reconnaissance to date of Soviet ships departing Cuba.
2. We have no fleet photography of the BRAISK which departed Mariel 5 November via Havana 7 November. However we do have U-2 photography of the BRAISK at sea on 7 November showing two missile transporters on deck.
3. The attached photography, together with the U-2 photography, accounts for the ANISOV, DVIDPOREK, KNOCHAYOV, and BRAISK, for a total of twenty missile transporters - canvas covered. The IARINSK reportedly departed Havana 5 November. No fleet aerial reconnaissance report received to date.
4. The last known position of the following ships is as follows:

<u>NAME</u>	<u>IN PORT AT</u>
POLZUNOV	MARTEL
VOLGALES	MARTEL
KONCHOL	CASTLEA
ALAPATVSK	LAISABELLA

5. In addition also attached are photographs of the Soviet passenger ship NIKOLAYEVSK, which departed Havana 5 November.
